Re: Transfer of Notice of Intention of Small Mining Operations from Robert and Terry Steele to Newco Guyana, Inc., Desert Mountain Gold (Coyote Knoll), S/023/033, Juab County, Utah

Dear Mr. Fahn:

On September 11, 2000, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Desert Mountain Gold small mining project located in the NW1/4 of the NE1/4 of section 5, T12S, R6W, Juab County, Utah from Robert and Terry Steele to Newco Guyana, Inc. Along with the transfer form was the \$100.00 permit fee for fiscal year 2000 for this project.

The Division Director signed and executed the transfer document on September 15, 2000, *which effectively transfers the responsibility of this mining operation and reclamation to Newco Guyana, Inc.* A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project. Your transfer form indicates the project is Coyote Knoll #1, #2 and #3. We will change our records to indicate the mine name is now Coyote Knoll rather than Desert Mountain Gold.

By copy of this letter the Division hereby officially releases Robert and Terry Steele from any further reclamation responsibilities at this site. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286 or Tom Munson at 538-5321. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg

Permit Supervisor
